

educational association box 371 mill neck new york 11765

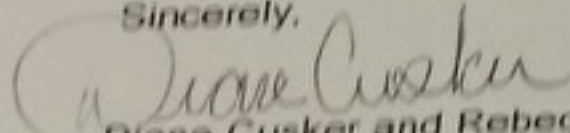

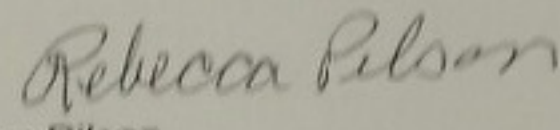

January 30, 2017

Dear Mrs. Bogdanoff,

On behalf of the MNMEA, please accept this letter as a formal rejection to your request to open negotiations for the 6 week summer school program at the 4410 Mill Neck program (i.e.: Early Childhood Center). We feel it is not a union issue but rather an issue related to the educational well being of our children. We are willing to work with administration. However, we request that you provide us with a written proposal which we will then view and decide upon accordingly.

Sincerely,

Diane Cusker and Rebecca Pilson
Co-Presidents of MNMEA
